To avoid these incidents, please mark the children's clothing and other belongings with the children's name. Please pack enough clothing for at least one week, since we have a weekly laundry service. We can provide a packing list, if you wish. Please, bear in mind, that the children will need clothing for both, warm and cooler weather. If not, they will be collected and stored until the day of departure. We have a land line, where you can call anytime to talk to your children.
